1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Vernal, Uintah County, Utah and have done so for 74 years.

2. I have traveled and am familiar with a road in Uintah County known as Southam Canyon Road. I am also familiar with the land the road traverses. When I first used and observed the road in 1947, it followed the same route as in 1988, when I last observed it. Attached is a Uintah County map showing Southam Canyon Road. 3. I am informed that the County also identifies this road according to the road number above.

4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as 1947 and continuing through 1976 to 1988. During this time period I have observed travel on the road by various means, including pickup trucks and horses. During this time period, the road has been used daily.

6. During the time period described in the previous paragraph I observed vehicles using the road at various times for the uses described in the previous paragraph, plus traveling in and through the area recreation such as camping picnicking, oil and gas exploration and development, hiking, sight-seeing and predator control.
